

### Time to Wyze-Up!

When you buy your screws from Wyze Pty Ltd, you are dealing with an Australian owned company that specialises in supplying quality fasteners to the Australian market.

We know the Australian conditions like no others.

We have a depth of experience in the design, manufacture and plating of screws for the Australian market.

We test our screws like no others to ensure their reliability and durability.

And when you deal with someone from Wyze, you can be assured that you'll get the expert technical support and sales service you deserve.
